Hard Skills

- ☒ Interconnection Detection
- ☒ Time Paradox Wrangling
- 📖 Quantum Cat Rescue
- ☒ Luck-as-a-Service
- α Interdimensional Travel

Soft Skills

- ☺ Intuitive Hunching
- 📖 Stubborn Optimism
- ☒ Charming Eccentricity
- ☒ Persuasive Rambling

Introduction

Holistic detective with an unwavering commitment to exploring the fundamental interconnectedness of all things. I combine an unconventional investigative approach with a keen intuition for improbable solutions, engaging confidently with the realms of the paranormal, temporal anomalies, and missing cats.

My experience spans peculiar cases involving time travel, quantum uncertainty, and reluctant clients. I thrive in unpredictable environments, leveraging resilience and a penchant for eccentric problem-solving to uncover answers that others overlook.

Work Experience

Present	Founder & Chief Detective Established and operated a one-of-a-kind agency dedicated to solving mysteries via the interconnectedness of all things.	Holistic Detective Agency
2018	<ul style="list-style-type: none">Successfully resolved cases involving missing cats, haunted computers, and spontaneously appearing sofas.Developed proprietary “luck-based” investigative techniques and pioneered random taxi route methodologies.	
2018	Quantum Cat Retrieval Specialist – Freelance Assisted clients in locating pets lost to quantum uncertainty and other improbable circumstances.	Various Clients
2017	<ul style="list-style-type: none">Collaborated with physicists and veterinarians to develop the Schrödinger Protocol for ambiguous animal recovery.	
2017	Temporal Anomaly Investigator – Contractor Investigated and contained time loops, paradoxes, and chronologically misplaced furniture within the college precincts.	St. Cedd’s College
2015	<ul style="list-style-type: none">Published “A Holistic Guide to Sofa Extraction from Impossible Spaces” (unofficial circulation).	
2016	Unconventional Technology Consultant – Part-Time Provided troubleshooting for haunted answering machines, sentient software, and vintage electronics.	London
2014	<ul style="list-style-type: none">Implemented holistic diagnostics, improving technology-cohabitation harmony by 47%.	

Education

2014	MSc in Applied Holistic Sciences Specialised in advanced interconnectedness analytics, time anomaly mitigation, and cross-dimensional case studies.	University of Cambridge
2015	<ul style="list-style-type: none">Research thesis: “The Practical Applications of Quantum Uncertainty in Everyday Detection.”Elected chair of the Society for Random Investigations and Improvised Solutions.	
2011	BA (Hons) in Holistic Detection Developed a rigorous understanding of the fundamental interconnectedness of all things.	University of Cambridge
2014	<ul style="list-style-type: none">Focus on quantum paradoxes, time travel theory, and sofa geometry.President of the Pizza Appreciation Society, founding member of the Parapsychology Club.	
2008	A-Levels Philosophy, Physics, and Strange Occurrences	Long Road College
2011	<ul style="list-style-type: none">Achieved top marks in unorthodox reasoning and creative logic.Winner of the “Most Unlikely Solution” award (two consecutive years).Organised the annual Quantum Cat Hide-and-Seek competition.

Awards

- 2021

Lifetime Achievement in Holistic Detection

Self-Awarded
- 2018

Holistic Detective of the Year

British Association of Unorthodox
- 2020

Outstanding Coincidence Resolution

Society for Applied Serendipity
- 2015

2nd Place, Annual Sofa Relocation Challenge

Royal Society of Furniture Physics

Other Certifications

- 2013

Certified Interdimensional Liaison
A*(a*) grade

UK Council of Multiversal Affairs
- 2018

Chronological Irregularity Investigator
Registration valid until January 3rd, 2318.

Temporal Anomaly Bureau

Association and Voluntary Work

- 2020

Chair of the Board

Sofa Displacement Prevention Society

Leads strategic initiatives to address and investigate the mysterious phenomena of sofas becoming inexplicably stuck in stairwells and hallways across the UK.
- 2019

Temporal Confusion Helpline Advisor

Society for Safe Timekeeping

Offers comfort and pragmatic (if peculiar) solutions to individuals experiencing minor chronological disturbances.

• Provides advice on time loops, déjà vu, and misplaced temporal objects.
- Present

Midnight Ghost Walk Guide

Camden Borough Historical Society

Led educational (and occasionally interactive) tours on local hauntings and spectral residents.
